## 2.2 Research, development and innovation activities as well as artistic activities with impact

### - HEI's self-assessment

Please briefly **describe** the procedures used by your HEI to promote the societal impact of research, development and innovation activities as well as artistic activities. **Assess** the functioning of these procedures.

Use the following sub-questions in your self-assessment, as applicable:

- How does the HEI advance open science?
- How does the HEI ensure the responsible conduct of research?
- What procedures does the HEI have to promote the societal impact of research, development and innovation activities and/or artistic activities?
- How is the societal engagement and impact monitored and enhanced in research, development and innovation activities and/or artistic activities?
- How are research findings, artistic activities and innovation results communicated to society?

Summarise the main strengths and enhancement areas related to the research, development and innovation activities and/or artistic activities in the table below.
