## 4 HEI as a learning organisation

### - Auditointiryhmän arvio

*Evaluation area IV assesses an area selected by the HEI where it wishes to receive feedback for the enhancement of its activities.*

**The audit team identified the following as key strengths and recommendations:**

#### **Strengths**

- The university is committed to robust internationalisation efforts with many initiatives to enhance the international experience of students.
- The UO is a member of the UNIC, which provides excellent internationalisation opportunities for students.
- The university has a holistic approach to internationalisation and offers family-friendly support to international students and staff.

#### **Recommendations**

- The university should promote consistent opportunities in internationalisation, by strengthening the visibility of international mobility windows and exchanges as well as enhancing the internationalisation of curricula.
- The university should work to ensure that students and staff have the skills and confidence necessary to thrive in a globalised setting.
- The university and the different programmes should optimise the impact of international mobility, by integrating the insight of students with international experience into classroom instruction.
